REQUIRED FINDINGS:

**Public Works Board
Recommendation**

Vote: N/A

Prepared By:
Christopher T. Trusty

NOTES/COMMENTS:

RECOMMENDATION:

That the City Council approves the Bid Award to Staker Parsons for the Midvalley Road Completion project in the amount of \$34,642.00 and authorizes the Mayor to sign the agreement.

BACKGROUND:

Last year in preparation for the new middle school, SITLA constructed Mid Valley Road, including a median, swale, and landscape. The project was to include a deceleration lane for southbound traffic, and a passing lane for north bound traffic, which were not included in the original bid. SITLA approached the City earlier this year, and proposed that the City bid and manage the project and SITLA would finance it.

The City bid this project as a sealed bid project, advertised for two consecutive weeks, and notified potential contractors of the bid. Only two bids were submitted, with the bids shown in the table below. Staker Parsons was low bid.

Contractor	Bid Amount
Staker	\$35,642.00
Geneva Rock	\$46,694.00
